R&L Education, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Young adolescents have different developmental needs than other students. The hm Program is geared for specific grade levels, allowing you to encourage the middle and junior high student's growing capacity for abstraction. At the same time, the activity-oriented structure keeps their attention. Students will learn to harness their particular learning style in a way that best suits their needs. Each student workbook teaches and reinforces the essential skills students need to be successful: skills for perceiving, organizing, making sense of, and using ideas and data. The workbook functions as a text for learning study skills and as a reference resource throughout the year.
