Not illustrated. 1918 Excerpt: . . . hopes to send three leaflets for children--one in November, one in January, and one in March. These are distributed to the pupils by the teacher. To summarize: In order to perfect the method of distribution, teachers in elementary schools under rural supervision should remember the following: 1. A copy of the September number of the Cornell Rural School Leaflet for teachers will be received through the mail early in the school year. 2. A blank accompanies the teachers leaflet, which is to be used only by teachers of elementary grades under the supervision of district superintendents of rural schools (page 1605). 3. The blank should be carefully filled out with name and address, district number, township, county, name of district superintendent, and names of pupils. 4. The blank should be returned at once to Edward M. Tuttle, College of Agriculture, Ithaca, New York. 5. Three times during the year a package of childrens leaflets will be received through the mails. 6. These leaflets should be distributed to the pupils whose names were on the list sent. 7. Any changes of teacher or pupils in the school should be reported in detail at once, in order that the records at the College of Agriculture may be complete and accurate, thus enabling prompt, correct, and effective distribution of the Cornell Rural School Leaflet. DISTRIBUTION IN 1915-1916 It may be of interest to teachers and others to examine the following report of the distribution of the Cornell Rural School...
