Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The author's third book offers new creative, effective, and fun ways for students to develop skills related to the Common Core State Standards. The book includes 30 ready-to-go activities that are standards-based and/or support skill development of the English Language Arts Standards as determined by the Common Core State Standards Initiative. Many of these activities may be repeated throughout the school year as they are developing skills that students should continually practice. Understanding the many hats that today's teachers wear, the author has made this book extremely user-friendly. The activities, explained in the introduction, are ready for immediate use in the classroom. Student activities include making and supporting claims in creative ways, challenging peers in a special edition of Four Square, completing road sign inspired worksheets and graphic organizers, flipping coins, rolling dice, and more. This book is a great resource by an educator familiar with Common Core. At around 50 cents per activity, this is truly a great value! A special bonus section includes activities from the author's first two books.
