*This is the finest book I have got through right up until now. I have got read and I also am confident that I am going to planning to read once again yet again in the future. You will not truly feel monotony at any time of the time (that's what catalogs are for about if you check with me).*

Free Spirit Publishing Inc., U.S., United States, 1999. Paperback. Book Condition: New. 2nd. 224 x 150 mm. Language: English. Brand New Book. First published in 1990, this perennial best-seller has helped countless children build self-esteem and assertiveness skills. Newly revised and updated, it's the ultimate resource for any kid who's ever been picked on at school, bossed around, blamed for things he or she didn't do, or treated unfairly--and for any kid who sometimes feels frustrated, angry, powerless, or scared. Simple words and real-life examples show how children can stick up for themselves with other kids (including bullies and teasers), big sisters and brothers, even grown-ups. Kids learn how to build relationships, become responsible, manage their anger, grow a feelings vocabulary, make good choices, solve problems, set goals, and store happiness and pride. Questions from real kids are paired with answers about how to handle specific situations calmly, confidently, and effectively. A special note to parents and teachers explores the self-esteem backlash and explains what self-esteem really is--and why kids today need it more than ever. A wealth of practical, encouraging, realistic advice, this empowering little book is also recommended for parents, teachers, and counselors. Part of the Bully Free Kids(TM) line.
