Do you know why they don't publish books on how to fail? It's because we are all very good at it already. You will come up short at times and that's okay. You most certainly will have to regroup and start over on more occasions than you would prefer. It's how you handle these failures and adversities that shape who you are and who you will become. The signs are everywhere. Drugs, alcohol, violence, and teen pregnancy haunt every step our children take. With the adversity children and teenagers face today, what can a parent do to give their child every opportunity they need to be happy, well-adjusted adults? Are your children ready to Talk, Walk, and Win? Jerry Hargrave understands the issues facing today's youth. Growing up as the child of divorced parents, he faced many of the issues plaguing today's children. Thanks to the dedicated efforts of his own parents, he was able to overcome these obstacles and become a successful professional, husband, and father. Talk, Walk, and...
