Due to the unique setup of Daystar, each is frequently counseling not only the child but the parent as well. Having both perspectives provides an opportunity to speak into some of the most common struggles that parents face in today's fast-paced society. Intentional Parenting is built around 12 chapters that each dispel some of the most common parenting myths and reminds all parents of truths that can empower them to be not only the parents that their children need but that God has called them to be.
