Simon Schuster Ltd, United Kingdom, 2016. Paperback. Book Condition: New. Export. 234 x 153 mm. Language: English . Brand New Book. There is only one bond that I trust: between a woman and her sisters. We never take our eyes off each other. In love and in rivalry, we always think of each other. When Katherine of Aragon is brought to the Tudor court as a young bride, the oldest princess, Margaret, takes her measure. With one look, each knows the other for a rival, an ally, a pawn, destined - with Margaret s younger sister Mary - to a sisterhood unique in all the world. The three sisters will become the queens of England, Scotland and France. United by family loyalties and affections, the three queens find themselves set against each other. Katherine commands an army against Margaret and kills her husband James IV of Scotland. But Margaret s boy becomes heir to the Tudor throne when Katherine loses her son. Mary steals the widowed Margaret s proposed husband, but when Mary is widowed it is her secret marriage for love that is the envy of the others. As they experience betrayals, dangers, loss and passion, the three sisters find that the only constant in their perilous lives is their special bond, more powerful than any man, even a king.
