Brand New Book ***** Print on Demand *****.Exodus is a no-nonsense, non-fiction composition written in an unorthodox literary style that reads like a novel. baz moreno follows the traditions of some of the strongest, most intelligent and melanin dominant minds in America. baz moreno is tough, witty, figurative, literal and direct in his intentions to do the opposite of what the media suggests. Exodus gives the reader information that the masses routinely ignore, and the confidence to engage in conversations concerning family, politics, law and the future of America.
