In constructing easy to make shapes, children create a fascinating world while developing dexterity and spatial imagination. In other words, the cut-outs presented within make 'Big Ideas for Little People' the most engaging activity book you can introduce to your child. The vehicle shapes found on these pages can be built by your child without any help from an adult-and no need for glue or scissors. The models, clear instructions and pre-made pop-out shapes make it easy for little hands to manipulate these fun shapes. The simple stories on each page are an added attraction and suggest how to make the paper models come alive!.
