

## Consciousness, Indian Psychology and Yoga (History of Science, Philosophy and Culture in Indian Civilization: Vol. XI Part 3)

By Kireet joshi,Matthijs Cornelissen

Project of History of Indian Science, Philosophy and Culture/MRML, 2012. Hardcover. Book Condition: New. 5th or later edition. 23 x 29 cm. The volumes of the Project of the History of Indian Science, Philosophy and Culture [PHISPC] aim at discovering the main aspects of India's heritage and present them in an interrelated way. These volumes, in spite of their unitary look, recognize the difference between the areas of material civilization and those of ideational culture. The Project is not being executed by a single group of thinkers and writers who are methodologically uniform or ideologically identical in their commitments. In fact, contributions are made by different scholars with different ideological persuasions and methodological approaches. The project is marked by what may be called 'methodological pluralism'. In spite of its primary historical character, this Project, both in its conceptualization and execution, has been shaped by many scholars drawn from different disciplines. It is for the first time that an endeavour of such a unique and comprehensive character has been undertaken to study critically a major world civilization like India. Consciousness, Indian Psychology and Yoga is one of a set of four volumes purported to launch the sub-project Consciousness, Science, Society, Value...
