

## Accident and Emergency Medicine

By Gordon S. Laing

Springer Mrz 1988, 1988. Taschenbuch. Book Condition: Neu. 203x133x9 mm. This item is printed on demand - Print on Demand Neuware - This is another volume in the collection of multiple choice questions aimed at candidates preparing for specialist examinations. The present book is written primarily for the senior house officer in accident and emergency and the registrar pursuing a career in this specialty, as well as for the medical student. The lucid question and answer approach will be of value to those studying for examinations, those wishing to gain an introduction to the subject, and those simply seeking to refresh their knowledge. This little book has been written primarily for the senior house officer in Accident and Emergency and the registrar pursuing a career in the specialty. I hope also that it will be of interest to medical students. Thanks to the initiative of Professor Miles Irving, Professor of Surgery, University of Manchester, medical students have been taught Accident and Emergency in Hope Hospital since 1974. Many of the answers to the questions here have been elaborated as a result of their enquiring minds. It has been a pleasure to teach them. MCQs should be informative and entertaining and...
