## THE FIREKEEPER: A NARRATIVE OF THE NEW YORK FRONTIER

[DOWNLOAD](#)

State University of New York Press, United States, 2009. Paperback. Book Condition: New. 221 x 150 mm. Language: English . Brand New Book. An epic adventure based on the extraordinary historical story of Sir William Johnson and the author's dreams of a Mohawk woman of power who lived three centuries ago. Robert Moss is a writer of considerable skill. In *The Firekeeper*, he shows a talent for accurate historical detail and an ability to recreate the past, both as it was and as it might have been. To read *The Firekeeper* is to be transported to another time and place, and leave it measurably enlightened. James A. Michener *The Firekeeper* depicts with accurate and exciting detail the time of the French and Indian Wars. Through the fictionalized lives of historical individuals, Sir William Johnson and Catherine Weissenberg, and memorable, almost mythical characters such as the Iroquois shaman, Island Woman, and Ade, a former slave, the narrative springs to life. The characters, even the minor ones, are clearly-drawn in this fast-paced tale, and the pages keep turning as we learn about the lives of the original inhabitants of this land, and of the early European settlers. This fascinating historical novel offers just the right mix: an involving story which imparts a deeper understanding. Jean M. Auel, author of *The Clan of the Cave Bear* Some rare novels defy labels. *The Firekeeper* is such a book. An intricately detailed historical novel.a mystical journey, a breathtaking adventure tale, and a passionate exploration of the human heart. This is a book to savor when you truly want to lose yourself in another world. Morgan Llywelyn, author of *Lion of Ireland* In Moss's vibrant docu-novel, the American colonial frontier is aflame during the 1700s as imperial rivalry pits colonists against British and French...
