Dover Publications Inc., United States, 2014. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book. The one thing I do not want, quipped Jacqueline Kennedy, is to be called First Lady. It sounds like a saddle horse. This lively collection includes more than 350 revealing and thought-provoking remarks by White House wives, from Martha Washington ( I live a very dull life here, and know nothing that passes in town. ) to Michelle Obama ( The only limit to the height of your achievements is the reach of your dreams and your willingness to work for them. ). Humorous and heartfelt reflections include Abigail Adams s thoughts on partnership ( No man ever prospered in the world without the consent and cooperation of his wife. ); Dolley Madison s attitude toward gossip ( It is one of my sources of happiness never to desire a knowledge of other people s business. ); and Eleanor Roosevelt s comment on accountability ( It is often the people who refuse to assume any responsibility who are apt to be the sharpest critics of those who do. ).
