Do you know that you are programmed to be who you are at this moment, with all your predicted successes and failures? Do you remember quitting your dreams? It was supposed to happen like this. All the advises you've received from the people around you, especially the ones that love you the most, were made to make you comply with the programming you and them are part of, so that nobody goes out of it. This program is so strong that interferes with our own emotions, identity and personality. The increasing number of people in the world, from children to adults, suffering from mental diseases, is a reflection of how strong this programming is. Nobody can escape it and those that try are condemned to failure and rejection by society. The law of attraction is just the point of the iceberg in the amount of power each being has to change everything in his reality. Most of what is being said about the law of attraction is just a demonstration of the whole truth interacting in the world. The fact is that the law of attraction can never be fully understood without understanding social programming and how the Power Elite is on Power in the first place, as well as how they keep it. It's time to know what the Power Elite knows about you, how they think about you and how you've been helping them. Break free from the Paradigm and find the complete truth that has been hidden from you! During all the chapters of this book you will understand the complete system of the world where you live like it was never shown to you...
