Mainstream Publishing. Paperback. Book Condition: new. BRAND NEW, Once Upon a Time: The Lives of Bob Dylan, Ian Bell, Half a century ago a youth appeared from the American hinterland and began a cultural revolution. The world is still coming to terms with what he did. How he did it - and why - has never been fully explored. In Once Upon a Time, award-winning writer Ian Bell draws together the tangled strands of the many lives of Bob Dylan in all their contradictory brilliance. For the first time, the laureate of modern America is set in his entire context: musical, historical, literary, political and personal. In this acclaimed book, full of new insights into the legendary singer, his songs, his life and his era, the artist who invented himself in order to reinvent America is uncovered. Once Upon a Time is a biographical study of a personality that has splintered and reformed, time after time, in a country forever struggling to understand itself. Dylan has become the puzzle that illuminates. Here, in the first part of a major two-volume work, the puzzle is explained.
