

The People Speak: Democracy is Not a Spectator Sport (Main)

Filesize: 6.91 MB

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually written extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dominic Collins)

Canongate Books Ltd. Paperback. Book Condition: new. BRAND NEW, The People Speak: Democracy is Not a Spectator Sport (Main), Colin Firth, Anthony Arnove, David Horspool, "The idea was simple - take the most impassioned speeches about the fight for what is right and bring them to life for a new generation". (Colin Firth). The People Speak tells the story of Britain through the voices of the visionaries, dissenters, rebels and everyday folk who took on the Establishment and stood up for what they believed in. Here are their stories, letters, speeches and songs, from John Ball to Daniel Defoe; from Thomas Paine to Oscar Wilde; from the peasants' revolts to the suffragists to the anti-war demonstrators of today. Spanning almost 1,000 years and over 150 individual voices, these are some of the most powerful words in our history. Compiled by Academy Award-winning actor Colin Firth, influential writer Anthony Arnove and acclaimed historian David Horspool, The People Speak reminds us that history is not something gathering dust on a library shelf - and that democracy has never been a spectator sport.
