Brand New Book ***** Print on Demand *****.Excerpt from Opyright and Patents for Inventions, Vol. 1: Pleas and Plans for Cheaper Books and Greater Industrial Freedom, With Due Regard to International Relations, the Claims of Talent, the Demands of Trade, and the Wants of the People; Essay on the Origin Progress of Literary Property, by Lord Dreghorn, F The compiler presents the material, more and less valuable, that is piled up in the following pages not as a book to be read through, but only as a depot in which diligent and irksome search for information on two important subjects will be rewarded. Bills on the two cognate subjects of copyright and patent-right are soon to engage the attention of Parliament. These subjects happily have never been brought into the arena of party strife. Yet on this account they have failed to become well understood. Views favoured in this compilation are, if superficial appearance is to be trusted, not entertained generally. Nevertheless they receive support, not in this country only but also abroad. They concern the people far more than most persons suppose. Vital national rights and liberties are being seriously and dangerously compromised (public opinion has already got a twist) through the persistent and organised efforts of associations and publications which espouse the cause of the directly interested few, as if it were at the same time the cause of the many. There is a certain analogy between the two monopolies. Alike they have been spared or instituted when other kinds of exclusive privilege were condemned and abandoned by all statesmen. For both has been recently claimed the rank of intellectual property not merely ex lege but ex debito justitiae. But there is...
