Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Rise Of Homosexuality In America Today is written to identify and discuss the struggles and unfair treatment, violence, discrimination and other abuse the homosexual community is subjected to in the United States. My analysis is based on several studies I conducted over a ten year period. Having conducted various studies and with my psychology, criminology, and social work background, I realized that there are two types of homosexuals, true homosexuals and society-made homosexuals. I use this book to identify, define and address the differences between the true homosexual community and the society-made homosexual community, as they are very different. The book also takes an in-depth look at the increase of the homosexual population and its increasing power. It also takes a look at the lives of homosexuals in the United States as they relate to heterosexuals. I discuss sensitive topics, such as coming out; the danger of rearing very young children in homosexual relationships; homosexual marriages; spousal benefits; and how HIV/AIDS negatively impacted the homosexual community. Additionally, this book also compares and contrasts female and...
