Loose Leaf Intermediate Algebra with P.O.W.E.R., with Aleks 360 18 Weeks Access Card

By Sherri Messersmith

McGraw-Hill Education, United States, 2014. Loose-leaf. Book Condition: New. 277 x 213 mm. Language: English Brand New Book. Assessment and Learning in Knowledge Spaces is a Web-based, artificially intelligent assessment and learning system. ALEKS uses adaptive questioning to quickly and accurately determine exactly what a student knows and doesn't know in a course. ALEKS then instructs the student on the topics she is most ready to learn. As a student works through a course, ALEKS periodically reassesses the student to ensure that topics learned are also retained. ALEKS courses are very complete in their topic coverage and ALEKS avoids multiple-choice questions. A student who shows a high level of mastery of an ALEKS course will be successful in the actual course she is taking.
