A very satisfying read ===== He had stayed in room 6 and room 8 as well as some others in the Parisian hotel, but never in room 4 where Jim Morrison had stayed on his last visit to Paris where he sought find some elusive peace. Paul Francis Cheetham was embarked upon a similar quest to discover himself in an altogether different environment. In this vividly personal memoir and exploration, written in the spirit of Baudelaire, Ionesco, Jean Paul Sartre, Picasso and other great writers and artists, Paul Francis Cheetham recounts his time spent in Paris cafe society and also in the very haunted hotel that he and Jim Morrison had sought inspiration in. You are about to embark upon a surreal trip as the author sets out to found new religions, write songs that sing out in unabashed color and life, cope with nearly loosing has arm and a girlfriend, (now ex) who tried to poison him. Cheetham s sardonic streak is never faraway as he retells his adventures and reveals the teeming underbelly of Parisian life, he reveals he is a follower of Guru McCoypu whose message is Love everyone except those you don t like. Reviews ===== Another work of genius from Dr Space Toad.up there with My Old Mate, The Coypu Captain Sensible from the band The Space Toad Experience ===== I had just met the last of the great French thinkers.
