Enchanted Lion Books. Hardback. Book Condition: new. BRAND NEW, The World in a Second, Isabel Minh Martins, Bernardo Carvalho, Inspired by the question, "What are they doing right at this moment on the other side of the world?" this book focuses on natural and human events happening all over the world in the same second. Talking about the world and how it's so different in places but also so similar and shared, so incredible and surprising, the books takes us to New York, Chicago, Mexico, Portugal, Angola, Turkey, Greece, Italy, Hungry, Brazil, and South Africa, among others. A moment of bird flight; a moment of daydreaming while washing the dishes; a moment of wondering how something felt and what came next. Isabel Minhos Martins is a Portuguese author and publisher whose words are found in works of poetry, children's books, magazines, comic books, and scripts for animations. She is also the publisher of Planeta Tangerina, a Portuguese publishing company. Several of her books have already been published by the Tate. Bernardo Carvalho is an illustrator and graphic designer from Lisbon whose work has been honored with multiple...
