We have designed the Lumos NJ ASK Study Program to help students get plenty of realistic practice before the test and to promote yearlong collaborative learning. Inside this book, you will find three full-length practice tests that are similar to the NJ ASK. Completing these tests will help students master the different areas that are included in the Common Core State Standards and practice test taking skills. The results will help the students and educators get insights into students strengths and weaknesses in particular content areas. These insights could be used to help students strengthen their skills in difficult topics and...
