Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.

The inveterate habit of exaggerated speech created many culprits; needy rapacity and oratorical vanity, stimulated in the schools and prohibited in the Forum, made many accusers. A successful accusation brought profit and honor. The law, in the first place, granted to him who had avenged it a share in the property of the condemned man; 3 and frequently the Senate added a large reward, the Emperor bestowed honors, and the whole city its applause. The future opened prosperously to the fortunate prosecutor; all things were offered him, --fortune and dignities. Thus, as mens servility and as their desires increased, cases which rendered men guilty multiplied; the law punished not words only, but a gesture, an involuntary forgetfulness, an indiscreet curiosity: to consult an astrologer on the duration of the rulers life implied criminal hopes. Even the statue of the Emperor participated in the same inviolability; woe to him who sells it with the field in which it stands, who throws a stone at it, who takes away its head, or melts the mutilated and worthless bronze! 4 If we consider these accusations ridiculous, we shall do well to remember what for so many years constituted high treason in England, and how dear it cost men in Scotland and Ireland to drink to the health of the Stuarts. Every age has constituted,...
