This is a handsomely bound book ; chocolate brown boards with Gold gilt title impressed on spine, with matching endpages; in matching Glossy photographic jacket . 262 pages with index . Author Adam Harmes has a Ph.D. in political science from York University , and is a fellow at the Munk Centre for International Studies at the University of Toronto . He has studied the global financial situation for some years, and , in this prophetic book, which is part economic & political analysis and part journalistic exposé . he issues a sharp warning to countries that wish to prosper economically, but at what cost ? . Why did the currency crises from Europe to Mexico to Asia suddenly become less predictable and more damaging in the 1990s? . What forces are driving the trends of soaring executive salaries and mass layoffs within...
