This is the 102 page users manual for the letters A to L to accompany the First Phonics curriculum study. The First Phonics set of videos and lessons ensures that a child's first experiences with reading are fun and successful. Each student is given a Learning Pocket which teaches skills the student needs to learn. Reproducible flashcards of numbers, lowercase and uppercase letters, phonics sound sentences, and a few simple words address a variety of learning levels. In addition, reproducible Picture Charts that emphasize sounds can be enlarged to poster size or passed out individually. An original poem, video story, song, and vocabulary list accompany each letter, as well as a variety of art, cooking, creative writing, language arts, crafts and math project. This is the way reading was meant to be learned.
